The overhead ladder, also known as the monkey bar, may be the most famous of all obstacle course elements. The goal is to get to the other side without using your feet, training upper body strength and cross body coordination. This overhead ladder is wide and high to ensure anyone can hang and move freely. To make sure that everyone can reach

the overhead ladder we added 4 stepping pods at different heights. As a stand-alone item the Double Overhead Ladder is great to use in a group workout. It offers space for 8 people to perform pull up exercises or to attach suspension trainers for a full body workout.
